SUBJECT

Appointment of an Inspector for the Minor Municipalities in the I. Manipur District

Rejects the Proposal

To

The D C Myroxe

From the D C Nyasaland
Letter no D3 c 3767/1-10 dt 4-4
Reports sanction to the appointment of an inspector of weights on a pay of Rs 100/- + Rs 20 for a period of three years in the first instance to look after the administration of the Weights in T Nansenga T Mlozi T Nansenga, Tambala, Mwase and Banda Wilkes

1) The DC's report is subject for perusal it is really a hard task for the Boma President to keep a keen watch over the administration of all these four Wilkes moreso of his multifarious engagements

2) As there is provision made under Sec 43 (1)(12) of the Native Weights Act, 1933, for the appointment of an inspector for Weights, the proposal of the D C may perhaps be sanctioned for a period of three years in the first instance in order to have an all round progress in the administration of the Weights, the cost in this behalf being recovered from the concerned Weights, as proposed by the D C

3) Any chief officer of 1st grade

Appointment of an inspector over certain cities

may be appointed as an inspector subject for orders

30/11 4 In the Taranaki Zone, there are four municipalities in Taranaki, Wanganui, Patea and Hawera. It is reported that the Builder who is in charge of these municipalities as Executive President finds it difficult to manage these affairs, in view of the multifarious duties. Hence the Director desires to appoint an inspector who may be entrusted for these four municipalities under Sec 403 (1) of the Municipalities Ordinance 1933

5 There is some truth in the statement that the Builder President cannot exercise sufficient supervision and control over the work of these four municipalities. Hence the proposal if it is proposed to appoint an inspector whose duty would be [illegible]

borne by these M L Cs. The
states that they have also
agreed to bear the same.
The pay proposed is Rs 100 + 20 p.m.
In the case of the Transport
Section M L C which has been given
the privilege of a monthly Passage
the M L C is not willing to have the
inspection. The C states that
it is all the more necessary to
have a re-inspection in view of this
fact that there is a monthly Passage
& that the defects may be over-looked
6 Under Sec 43 (1) (c) the
M T Act, the Inspecting Can-
only inspect or Superintendent the
working of any of the M L
Cs constituted under the Act
But he cannot replace the
Board of Control Presidents
of these M L Cs and the latter has
no time to do so. He cannot
administer the affairs merely
for the working of the Act. But
the scope of the Act is
broader enough

7) It may be pointed out here that this is the first time a proposal to apply the provisions of Sec 43 of the Act has been made to ships. Hence if approved, it may be tried as an experiment for a year & its effect watched. One of the Chief Officers or Dockyard officers may be appointed as an Inspector of the proposal as approved.

The Inspection which can only be superintendence & not direct cannot be appointed for doing the duties of Presidents. The note in the right direction would be to appoint a non-Officer President. He can then take steps in this direction.

If we may appoint an Inspection for each

No D3-C 3767/43-44 Office of the Deputy Commissioner,
Mysore District
Dated, Mysore the 6th Oct 1944

To

C I I Rajagodha Singh, Esq, B A,
Deputy Commissioner, Mysore District

C Narayanaswami Naidu, Esq, B A B L,
Legal Remembrancer and Secretary to Government
of Mysore, Law Department, Bangalore

Sir,

Subject - Appointment of an Inspector for Municipalities at T Narasipur Taluk

I have the honour to state that there are four Minor Municipalities in the T Narasipur Taluk The Amildar of the T Narasipur Taluk was hitherto the Ex-Officio President of all these Four Minor Municipal Councils During my recent inspection of these Municipal Offices, it was considered necessary to entertain a Chief Officer for all the four Municipalities in the T Narasipur Taluk as the Amildar President cannot exercise sufficient Control and supervision over the work of the Municipal staff The Municipal Councils of Nugur, Bannur and Talkad have agreed to the proposal while the T Narasipur Municipal Council have not agreed Now that the previlege of electing Non official President has been conceded to Narasipur Municipality It is all the more necessary to have a Chief Executive Officer for assisting the non Official President, and for the Council to satisfactorily carry on the Administration of the Municipality The resolution of the Council may therefore be overruled

The arrears of mohatharfa taxes outstanding in these Municipalities are as follows -

	Rs
T Narasipur	1340
Talakad	5367
Nugur	3117
Bannur	4558

The arrears are very heavy in the Bannur and Talkad Municipalities and proper supervision over the Collection staff is quite necessary The Municipal Councils of Bannur, Nugur and Talkad have agreed to bear the extra expenditure incurrable by the entertainment of this additional staff proportionately and copies of resolutions of the Municipal Councils, are herein enclosed for kind perusal

The closing balance of these four Municipalities on 30-6-44 were as noted below -

T Narasipur	Rs 4802
Nugur	Rs 6444
Bannur	Rs 4537
Talkad	Rs 5490

and each of them can well afford to meet the well proposed additional recurring expenditure

As the appointment of a Chief Officer to the Minor Municipalities is not permissible, an Inspector as contemplated by Section 43 (1) of the Minor Municipalities Act 1933, with the status of a Chief Officer to supervise the work of all the four Minor Municipalities of T Narasipur Taluk is quite necessary

I therefore request you to be so good as to obtain sanction of Government to the appointment of an Inspector on a pay of Rs 100/-

plus Rs 20/- (conveyance allowance) to work in all the four municipalities including T Narasipur, the cost of this Establishment being met proportionately by the said municipalities

The appointments may be sanctioned temporarily for a period of three years in the first instance as an experimental measure.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District

Subject Appointment of an Inspector for the minor municipalities in the T Narsipur Tlk

Sir

With reference to your letter No Dis 3767/43-44 G & C dated the above subject, I am directed to state that your proposal does not commend itself to Govt as the Inspector proposed to be appointed can only be employed in the Municipalities & cannot do the duties of the President. The Chief of these can be done by the Sheristadar whenever the regular duties will permit. If to elect persons of the class of the Municipalities may, in the opinion of the Dy Com, be entrusted with the powers of appointing non-official members of the Municipalities after being taken into confidence, I am directed to request you to investigate the matter further in the light of the observations made above and submit a fuller report for the consideration of Govt.

Subject - Appointment of an Inspector for the minor municipalities in the T Narsipur Taluk

---

Sir

With reference to your letter No D5 C 3767/43-44 dated 16th October 1944 on the above subject, I am directed to state that your proposal does not commend itself to Government as the Inspector proposed to be appointed can only superintend and inspect the work in the municipalities and cannot do the duties of the president when only there can be some relief to the Amildar present The move in the right direction would therefore be to elect non-official presidents if the circumstances of the Municipal Council/s concerned permit of such action being taken

I am accordingly to request you to investigate the question further in the light of this observation and submit suitable proposals if necessary for the orders of Government
